Triggering a Left Turn Arrow

Have you ever pulled up to an intersection and waited forever for the left turn arrow to come on? You may not be in the correct spot to trigger the signal. As you approach an intersection with a left turn lane and a left turn arrow, you must stop behind the "Stop Bar" to trigger the signal. If drivers pull up ahead of the bar, the left turn arrow will not come on unless another vehicle pulls up behind you. Please contact the Public Works Department at (360) 683-4908 with questions.

Coffee with the Mayor in September

Mayor
Dennis Smith

Meet Sequim Mayor Dennis Smith as the Coffee with the Mayor program continues in September. Public Works Director David Garlington will join the Mayor at the Bell Creek Bar and Grill, located at 707 E. Washington Street, at 8:30 a.m. on Thursday, September 15, to meet with anyone who wants to chat, ask questions, express a concern, or make a comment about the City or the community.

Please contact Dennis Smith at dsmith@sequimwa.gov with questions.

Water Saving Tip of the Month

In the Garden—FALL IS FOR PLANTING

Planting in fall just after the first few rains will increase your chances of success. The soil is still warm, so roots will begin to grow. Plants are heading into winter dormancy, and the rainy season is underway. When spring rolls around, your plants will be on the way to getting well established.

Please Leave Local Wildlife Alone

Animal Control has recently received multiple reports of Mallard duck nests being disturbed and the eggs removed. Mallards and their nests are protected by the Migratory Bird Treaty Act of 1918, which makes it an offense to intentionally damage, destroy, or remove eggs or the young. If you find a nest full of eggs or ducklings, you must NOT interfere with them.

If you witness such acts, please contact the City of Sequim Animal Control at (360) 683-4908, or if you need an immediate response, contact the non-emergency Police Department line at (360) 683-7227.

Centennial Tiles Installed at Civic Center

The hand painted tiles, that were created by community members during the 2013 Centennial Celebration, have been permanently installed at the Sequim Civic Center, 152 W. Cedar Street. The tiles decorate the alcove surrounding the water fountains in the first floor lobby. Thank you to everyone who contributed their creativity to this historical art project.

Volunteers Freshen Up the Sequim Dog Park!

Thank you to everyone who came out to help at the Dog Park! Sequim Police Officers partnered with the Sequim Dog Park Pals and the Sunrise Rotary to paint and repair the canine agility course at Carrie Blake Park. The Sequim Public Works Department pressure washed the equipment to prepare it for repairs and a fresh coat of paint.

The course was built by the Sequim Police Department in 2011, and is used by the Police Department and the public for canine agility training.
